|                   |                               |
|-------------------|-------------------------------|
| Physical State    | Chloroform                    |
| Storage           | -20°C                         |
| Expiration Date   | One year from date of receipt |
| M Lot Number      | 5241CNB205                    |
| Avanti Lot Number | 790304C-200MG-B-205           |

| ANALYSIS                                 | SPECIFICATION                                                                                                                                                                                                       | RESULTS           |
|------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| Confirm Release of Individual Components | (1) 1,2-Dioleoyl-sn-Glycero-3-Phosphoethanolamine (DOPE), #850725<br>(2) 1,2-Dioleoyl-sn-Glycero-3-[Phospho-L-Serine] (sodium salt) (DOPS), #840035<br>(3) 1,2-Dioleoyl-sn-Glycero-3-Phosphocholine (DOPC), #850375 | Release Confirmed |
| Prepare Certificate of Formulation       | Weight Ratio: 5:3:2 (DOPE:DOPS:DOPC)                                                                                                                                                                                | Pass              |
