

**Ganglioside-Total**

Total Ganglioside Extract (Brain, Porcine-Ammonium Salt)

**860053P-25MG****Page 1 of 1**

|                          |                                                                                    |
|--------------------------|------------------------------------------------------------------------------------|
| <b>Molecular Weight</b>  | 1563.853 (based on representative structure; may not reflect exact MW of compound) |
| <b>Physical State</b>    | Powder                                                                             |
| <b>Storage</b>           | -20°C                                                                              |
| <b>Expiration Date</b>   | One year from date of receipt                                                      |
| <b>M Lot Number</b>      | 5866PJB019                                                                         |
| <b>Avanti Lot Number</b> | 860053P-25MG-B-019                                                                 |

| ANALYSIS             | SPECIFICATION                                                            | RESULTS   |
|----------------------|--------------------------------------------------------------------------|-----------|
| Physical Examination | <b>Powder:</b> White to off white solid which contains no foreign matter | Pass      |
| Mass Spectroscopy    | Confirm presence of GM1, GD1, GT1                                        | Confirmed |
